Diagram 30 shows the front of the machine. It features two vertical support arms, each equipped with a roller at the top and a foot at the bottom. The left arm is labeled 'AGITATOR' and the right arm is labeled 'SUPPLY'. A circular callout with the number '30' points to the top of the left support arm.

Diagram of a 31 connector, which is a small, L-shaped metal component with a circular hole on one end and a rectangular slot on the other.
